### **CURRICULUM VITAE**

- Personal Information :
  - Name: Dr. Goswami Yogeshanand Shambhupuri
  - Date of Birth: 27<sup>th</sup> October 1965
  - Qualification: MD (Medical Microbiology)
  - Designation: DEAN,
    - G.M.E.R.S. Medical College,
    - Dharpur-Patan.
- Experience in field of Microbiology :
  - Total experience 27 years
- Presently working as DEAN, G.M.E.R.S. Medical College, Dharpur-Patan since 29/09/2018
- Worked as DEAN, P.D.U. Govt. Medical College, Rajkot from 10/11/2016 to 28/09/2018
- Worked as DEAN, GMERS Medical College, Junagadh from 03/01/2015 to 09/11/2016
- Worked as Nodal officer, GMERS Medical College, Junagadh from 23/06/2013
- Working as Professor & Head, Microbiology Department, from 26/06/2008 to 3/01/2015.
- Heading following clinical laboratories:
  - Bacteriology, Serology, Mycology, Parasitology, Virology, CD4 lab, Mycobacteriology & Molecular laboratory.
- Centre In charge :
  - ICTC (Integrated Counselling & Testing Centre)
  - IDSP programme (Integrated Disease Surveillance Programme)
  - Epidemic Outbreaks
- P.G.Centre Incharge (Microbiology), PDU Medical College, Rajkot.
  - Taking Lectures, Seminars of P.G. students
  - As a guide of P.G. students for thesis(15 P.G students)
  - As an examiner in P.G. examinations of Saurashtra university, other universities of Gujarat state & other states
  - Undergraduate Teaching programme
    - Taking Lectures & Examinations
- Additional duties :
  - Laboratory Director, "Laboratory Services- PDU Medical college & Hospital " (All laboratories are in final stage of NABL Accreditation) from 2013 to 2014.
  - Government of Gujarat (Health & Family Welfare Dept) has appointed as Nodal Officer for developing Junagadh Medical college.
  - Chairman of Hospital Infection Control committee

# ACADEMIC ACHIEVEMENTS

## RESEARCH PUBLICATIONS

- 1. Study the Prevalence of Various Enteric Parasitic Infections Among HIV Infected Individuals in the P.D.U. Medical College and Hospital, Rajkot, Gujarat, India. ( Journal of Clinical and Diagnostic Research. 2013 January, Vol-7(1): 58-60 )
- Antibiotic sensitivity pattern of Pseudomonas aeruginosa strains isolated from various clinical specimens at civil hospital, Rajkot, Gujarat, India.', July issue,2012 (Vol. 1. Issue 4). (International Journal Of Innovative Research & Development www.ijird.com ISSN 2278 – 0211)
- A comparative study and evaluation of the diagnostic utility of Adenosine Deaminase (ADA) activity in Pleural, peritoneal and cerebrospinal fluid for the diagnosis of tuberculosis. (INTERNATIONAL JOURNAL OF INNOVATIVE RESEARCH & DEVELOPMENT www.ijird.com)
- 4. Neonatal Septicemia Due to Acinetobacter Spp. in Tertiary Care Hospital, Rajkot, Gujarat, India (International Journal Of Scientific Research)
- 5. An Antibiotic Susceptibility Pattern of Various isolates of Neonatal Septicaemia Study in tertiary care hospital, Rajkot (International Journal Of Scientific Research)
- ORGANIZED STATE LEVEL CONFERENCE IAMM-GC- As Organizing Secretary at P.D.U. Medical college, Rajkot- January 2012
- Appointed as member in Board of Studies at MS University, Baroda.

## • CONFERENCES ATTENDED:

- 7<sup>th</sup> Annual Conference of Saurashtra & Kutch Association of Pathologist & Microbiologist held at M.P. Shah Medical Colloege, Jamnagar - March 1996.
- o 21st Annual Conference of IAPM-GC at Surat January 1997.
- o 23<sup>rd</sup> Annual Conference of IAPM at Rajkot December 1998.
- National conference of Medical Waste Management at Baroda -February 1999
- 25<sup>th</sup> Annual Conference Of GAPM at M.P.Shah Medical College, Jamnagar- January 2001
- 29<sup>th</sup> Annual Conference of GAPM at C.U.Shah Medical college, Surendranagar- February 2005
- 4<sup>th</sup> Annual Conference of IAMM-GC at Pramukhswami Medical College, Karamsad-December 2006.
- Attended & Chaired Scientific session at 5<sup>th</sup> Annual Conference of IAMM-GC at N.H.L. Medical College, Ahmedabad – December 2008.

## PARTICIPATED IN WORKSHOPS :

 15 days National workshop on Molecular Biology Techniques at Armed Force Medical College, Pune -July 1998

- 3 days Workshop for training of trainers in prevention of HIV/AIDS at B.J.Medical college, Ahmedabad- August 2000.
- Workshop on Quality Assurance Programme for microbiology laboratories organized by National Institute of Communicable Disease, Delhi – October 2000.
- Participation in Sensitization cum Training workshop of Revised National TB Control Programme held at M.P.Shah Medical College, Jamnagar-December 2004
- Workshop on 'Simple Diagnostic Methods in Infectious diseases' held at N.H.L. Medical College, Ahmedabad, April - 2005.
- Indo-US workshop on Adolescent HIV/AIDS Research Training organized by University Of South Florida & Vadodara Medical College, HIV/AIDS International Training Programme –February 2008.
- Workshop on Quality Awareness organized by the Quality Council of India & Bio-Rad Laboratories at Ahmedabad-30/11/2008
- Workshop "Hands on Training on Diagnostic Approach Clinical Mycology" organized by NHL Medical College, Ahmedabad- April 2011

## • TRAINING TAKEN:

- 5 days training course in Antimicrobial Resistance Monitoring held at B.J. Medical college, Ahmedabad – December1998
- 10 days training course for District level Rapid Response Team, under National Diseases Surveillance Programme, at Ahmedabad
  September 1999
- State level training in revised National Tuberculosis Control Programme at Rajkot-July 2005
- Training/workshop on Integrated Disease Surveillance Officer at National Institute of Communicable Diseases, Delhi – March 2007.
- Training of Quality Management System & Internal Auditor course for NABL as par ISO 15189:2007 organized by Department of Health & Family Welfare, Government of Gujarat, at Gandhinagar – May 2010.
- 20 days training course on RadioImmuno Assay Techniques & their clinical application at Bhabha atomic research centre, Mumbai – March 1998

### CME & SEMINAR ATTENDED

- CME Programme for Private physician on HIV/AIDS Prevention & Treatment. Awareness organized by National AIDS Control Organization, at Jamnagar.
- Interactive seminar on Equity in Health Care at C.U.Shah Medical College, Surendranagar.
- Delivering guest lecture on "Hospital Infection Control" in seminar at Rajkot Homeopathic Medical College, Rajkot- September 2011.

# • GUIDED DISSERTATIONS

- A Study of ASO titer in Rheumatic Fever, Acute Glomerulonephritis and Pyoderma
- Seroprevalence of Anti-HCV antibodies in HIV positive Persons
- Prevalence of HCV infection in health and disease
- Bacteriological study of postoperative surgical wound infection
- Bacteriological study of neonatal septicemia
- A microbiological study of discharging otitis media
- Study of surgical site infection in major obstetric and gynecological surgery
- A Sero prevalence of Hepatitis b, Hepatitis c, Syphilis and HIV in Antinatal cases at PPTCT (a study of 1038 cases)
- A Bacteriological Study of Neonatal Septicemia
- Prevalence of Inducible Clindamycin resistance in Staphylococcus aureus isolate from PDU Hospital, Rajkot.
- Clinomycological study of Dermatophyte infection
- A Study for Aerobic Bacteriological Pattern and its Susceptibility in patients having Diabetic foot ulceration
- Utility of Adenosine Deaminase Enzyme Test in diagnosis of Extra pulmonary Tuberculosis
- Diagnostic utility of Typhoid ELISA Test in comparison to other conventional methods for Diagnosis of Typhoid Fever.
- Identification of Catheter Associated infection including central line, peripheral and urinary catheter in PDU Hospital, Rajkot
- Isolation of Bacteria in Acute Diarrheal Disease in Pediatric age group of Patient attending to a Tertiary care Hospital, Rajkot
- Isolation, Characterization and Antifungal Susceptibility Testing of Candida species in Tertiary care Hospital, Rajkot
- Evaluation of Gene Xpert MTB/RIF Essay for Rapid Diagnosis of Tuberculosis and Detection of Rifampicin Resistance in Pulmonary specimen in Rajkot city

## MEMBER OF:

- Indian Medical Association.
- IAMM (Indian Association of Medical Microbiology)
- IATP (Indian Association of Tropical Parasitology)
- SIHAM (Society of Indian human and Animal Mycologists)
- Hospital Infection Society.
